Webinar Terms and Conditions

The purchase of webinar attendance is for use by the purchaser only and registration information should not be forwarded on to third parties; doing so may hinder your own access, as webinar entry is by prior registration only. Similarly, the materials and replay of webinars are for use by the purchaser only and should not be forwarded on to third parties. Responsibility for the confidentiality and security of webinar registration information and event materials issued by CSSA lies with the registrant. If you believe that a third party has obtained details in an unauthorised manner, please promptly notify CSSA.

The virtual event facility includes a feature that allows audio and any documents and other materials exchanged or viewed during the session to be recorded. By joining a session, you automatically consent to such recordings. If you do not consent to the recording, please contact CSSA to discuss your concerns in good time prior to the web-event date.

Cancellations must be received in writing at least two days before the date of the event and will be subject to an administration charge of R100. It is regretted that cancellations made after this time will not be accepted and the delegate will be liable for the full event fee. Substitutions may be made at any time provided the organisers are notified 48hours prior to the event. Please note that if a non-CSSA member attends in lieu of a CSSA member the difference in fees will be charged.
