

October exams update

We hope that you are keeping safe and that your studying is going well in preparation for the October examinations. We encourage you to register for the October exams if you have not done so already.

We have also arranged a series of pre-exam webinars so that you can revise your work and gain a deeper understanding of the relevant subject.

Given the current Covid-19 pandemic, and the rate at which infections are occurring in our region, we are notifying you that the October examinations will take place via online assessment. Students will therefore not write the exams in a physical venue, but will write the exams online. Further details on the process will be given at a later stage. We appreciate that students go through anxiety with regard to writing exams and we do not want to add to that anxiety with students not being informed about the October exams. The safety of our students is of paramount importance. Students can thus take comfort in knowing that the assessment in October will be via online assessment.

Please do not hesitate to contact the student department with any queries (students@chartsec.co.za)

We wish you the best of luck with your studies and with your exams in October.

Graduation ceremony update

Due to Covid-19, CGISA has taken a decision to postpone this year's graduation ceremony considering the risk and restrictions on gatherings. The ceremony will be conducted in 2021. All graduates will be notified via email as soon as the date has been confirmed.

We sincerely apologise for the inconvenience.
